The Calgary Italian Dancers – Gli Azzurri, are excited for the opportunity to travel to **New York City for 5 days in July 2023**. We will be travelling with Dance the World and performing culturally throughout Manhattan!

The Calgary Italian Dancers, Gli Azzurri, is a non-profit, parent-run organization dedicated to preserving and building Italian Culture through dance and music, and we have been doing this proudly since 1987.

**As an Italian Club member in touch with the Italian culture and community, we are requesting your support as a sponsor for our oldest dance group, Energia**, which has dancers in grades 10 to university level. Sponsorship levels are below, however, any dollar value contribution to assist our dancers to travel to NY is greatly appreciated and your name will be announced at our Year End show in June.

As a major sponsor, you would be recognized in the following ways:

- At every event we participate in (this includes public and private party events) by being acknowledged and thanked as a Gli Azzurri sponsor.
- Acknowledged, thanked, and invited at our 2023 Year-End Show.
- Receive free entertainment from our dancers for an event you are hosting within the 2022 – 2023 dance year.

Have your logo or name placed on:

- all Gli Azzurri dancer jackets
- all luggage for travelling dancers
- the Gli Azzurri website
- in our marketing package
